

Communications Camp

**Incorporating
Jamboree On The Internet (JOTI)**

Sat 17th / Sun 18st October 2009

Information

The camp is just one night away. It will allow the Scouts to take part in Jamboree on the Internet and also take part in some other activities based around communications and computers.

These will range from making Electronic Devices, and their own animated videos.

Scouts will be sleeping in tents on the campsite, which they will need to put up on arrival.

The cost of the camp is only £10 and includes a meal on Saturday night and breakfast on Sunday.

Since it is such a cheap camp, we will collect the complete fee in as oppose to a deposit with a balance due later.

If this will cause a problem for anyone though (especially with the Scotland Fees due, London Weekend and having to start payments for Iceland), please speak to a leader to arrange alternative ways to pay.

The permission form, fee must be returned no later than 30th September together with the health form if you want to go.

NO late bookings will accepted

Relationship to young person:	

Please use the back of this form if more space is required

Note: The medical profession takes the view that the parent's/carer's consent to medical treatment cannot be delegated. This view is explicit in The Children's Act 1989. Thus, medical consent forms have no legal status and a doctor or nurse insisting on the consent of a parent/carer to a particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents/carers signing the statement above. However, it can be a comfort to medical staff to have general consent in advance from parents/carers or to have a Leader on hand able to sign forms required by medical authorities.
