## WALTON FIRS CAMP SITE

This is the layout of the site. Marked on it is the location of the building we have booked. It's in a secluded part of the site with a main field in front of it that we can also use for games and activities.

## ABOUT THE CAMP

With our main summer camp being to Germany in 2009 and with the cost and limitation on numbers, this could mean that some Scouts could miss out on the opportunity to have a camp of more than a single night or weekend.

In 2007 we run a short 5 day camp in the UK which proved to be very successful and enjoyed by all those that went on it.

We are proposing to do the same again in 2009. We have provisionally booked a building for 5 days / 4 nights at a campsite called Walton Firs in Surrey.

It has a number of dormitories, a kitchen and hall for doing activities in if weather is wet.

The Scouts camped there in 2003 so we know what the activities and facilities are like.

We have also recently visited the site to check that the standard is still up to what it was 5 years ago.

We won't just be restricted to the campsite though, as there will be days out to nearby leisure facilities including swimming pools and bowling.

The cost of the camp will be just £90 and this includes all the activity fees, food, transport and entrance to bowling, swimming, ice skating and Thorpe Park.

To make it feasible and to keep the cost down to just £90 we need at least 18 Scouts. If not it would work out too expensive to run, or we would need to increase the price to cover the costs if those interested still wanted to go.

## WHAT WILL WE DO?

The activities we plan to do include :-

Photo Orienteering      Abseiling  
Climbing                  Initiative Exercises  
Adventure Course      Team Activities

Maze                          Bowling  
Shooting                      Archery

Pioneering                  Ice Skating  
Thorpe Park                  Film Night  
Swimming

## SO YOU WANT TO GO?

Sound like an Adventure you would like to be part of? Then get signed up for it quick! Places are restricted so will be 1st come 1st served.

If you are not in Scouts yet but will be by the time of the camp you can still go. So best to get your name on the list to go rather than miss out.

At this time all we need to know is who would like to go on the Camp - no money is needed.

Names will go on a list in the order they come in, so if anyone drops out the next on the list will get to go. Preference will also be given to those **not** going to Germany

To get your name on the list return the booking form ASAP. The deadline is the end of July 2008 - but the sooner you return it the more likely you are to get a place.

We have to confirm the booking and pay a deposit by the middle of Summer this year.

So we need to know numbers and if we can afford to organise it, by the end of July.
